WHO: WMLL Softball is open to girls ages 7-18.

WHEN: Our season runs May 12th through late July.

WHERE: Games are played at Jefferson Middle School, just north of Memorial High School.

FOR THE 2nd YEAR: Rookie League - 7-8 year olds - This league allows girls at the younger level to learn the game of softball with their peers in a coach-pitch environment.

WHY: Softball is fast becoming the easy choice for parents and girls alike due to its strong sense of building community and creating lasting friendships. It is low-cost and emphasizes safe and fun play, especially at the 7-10 year old levels. Scheduling and practices tend to not interfere with the parents' busy work and weekend schedules. Additional extra-curricular activities for WMLL teams include attending a UW softball game, Mallards game, and Little League Night at Miller Park in Milwaukee.
